Warrington S. Starting Simulation for New Residency Programs. Presented at: IMSH 2020; January 18-22, 2020; San Diego, CA.

This Presentation is brought to you for free and open access by the Research & Publications at Scholarly Commons. It has been accepted for inclusion in Emergency Medicine by an authorized administrator of Scholarly Commons.

# Starting Simulation for new Residency Programs

Steven Warrington, MD, MEd, MS, FACEP

# Objectives

- Identify 3 barriers and methods to overcome them when implementing simulation in new graduate medical education programs.
- Discuss pearls and pitfalls to use when implementing a new simulation program at an institution.
