Unity

Nicholas D’Angelo, MD

Abstract

Description
Community health is vital to increase the lifespan and quality of life of the people on our planet. We must unite to fight disease through education and implementing quality health care. This piece was created prior to the pandemic, but its message is so incredibly pertinent in these troubling times. We must encourage patients and one another to take precautions such as wearing masks and getting vaccines in order to reduce the morbidity and mortality of COVID-19.
